Re: Closeout of BLM Case File for 43 CFR 3809 Plan of Operations UTU-69837.
UDOGM File No. M/037/044.

Dear Mr. Swanson:

On June 12, 1996 a closeout field inspection was made of the Cub Mine by Mr. Sal Venticinque of my staff, accompanied by Mr. Anthony Gallegos of UDOGM. The Cub Mine is located in T30S, R25E (SLM), Section 26: SE1/4 SE1/4; Section 35: E1/2 NE1/4, San Juan County, Utah. The land surface reclamation was determined satisfactory.

On June 25, 1996 you met with Mr. Venticinque at this office and informed him that you wanted the BLM case file on the Cub Mine closed out. Therefore, Kelmine Corporation is released from further reclamation responsibility for UTU-69837, and the BLM case file is closed. If you have any questions, please contact Mr. Venticinque at (801) 259-2141.

Sincerely,

Assistant District Manager
Resource Management
